We are aware of the concerns about the rise in the infection rates of COVID-19 in Wolverhampton, Dudley and areas of Walsall, our immediate neighbours. We are constantly monitoring the situation.

Following the advice available on the Department of Education website and whilst considering the health measures we intend to reopen the school in the first week of October 2020. We are holding the enrolments sessions on the following dates:

29/08/2020 and 30/08/2020 (Sat-Sun)
05/09/2020 and 06/09/2020 (Sat-Sun)
12/09/2020 and 13/09/2020 (Sat-Sun)
19/09/2020 and 20/09/2020 (Sat-Sun)

Here are some measures we will be considering during the sessions
(Information taken from Department for Education)

Essential measures include:

- a requirement that people who are ill stay at home
- robust hand and respiratory hygiene
- enhanced cleaning arrangements
- active engagement with NHS Test and Trace
- formal consideration of how to reduce contacts and maximise distancing between those in school wherever possible and minimise potential for contamination so far as is reasonably practicable
- How contacts are reduced will depend on the school's circumstances and will (as much as possible) include:
 - avoiding contact between groups
 - arranging classrooms with forward facing desks
 - staff maintaining distance from pupils and other staff as much as possible

All staff at GNKC have worked tirelessly to get all the resources ready in time for when the school re opens and make sure all classrooms are equipped with sanitiser stations following advice from the Department of Education.

The Department for Education has produced some guidance for parents. Please see the below link.

Thank you for your continued support and partnership.

Any further information will be communicated.

Yours Sincerely
